Fulfillment by amazon (fba) is a service we offer sellers that lets them store their products in amazon's fulfillment centers, and we directly pack, ship, and provide customer service for these products.i thought i had read every word alice munro had ever written, but this title was unfamiliar to me--who do you think you are is a book of connected short stories, featuring rose, who always seems to know more than is acceptable for a woman of her time and place, and at the same time, doesn't quite have a handle on what other women seemingly know by instinct.
